across Australia**

About Us

Vari Group provides a flexible workforce that meets any company's needs for short-term workers, long-term staffing and everything in between.

Vari Group has worked on some of Australia's largest projects and can meet any staffing needs with immediate access to suitably skilled personnel.

Our approach to placement is to first understand every project's needs, to allow for the most suitable allocation and seamless support to your business and project.

The Vari Group management team has a proven history in successfully delivering to clients on traffic management and labour hire requirements in both the construction and civil industry.

Our values and philosophies are based on:

- Respect and Integrity
- Safety and Wellbeing
- Communication and Responsiveness
- Service Delivery Through Sustainability
- Constant Improvement and Innovation
